does your life feel cluttered maybe an overcrowded calendar isn't your only problem in this updated classic learn how our technology focused generation can deal with stress and find balance in life by submitting to god in five areas

motivation priorities intellect spiritual growth and rest we have schedule planners computerized calendars smart phones and sticky notes to help us organize our business and social lives every day but what about organizing the other side of our lives the spiritual side in ordering your private world gordon macdonald equips you to live life from the inside out cultivating the inner victory necessary for effectiveness simplifying your external life begins with seeking internal order in addition to focusing on spiritual and mental disciplines you ll discover the difference between being driven and being called the lifelong pursuit of the growth of the mind the importance of being a listener and reader how to exercise your soul to keep it in good shape our culture encourages us to believe that the busy publicly active person is also the most spiritual our massive responsibilities at home work and church have resulted in many of us on the verge of collapse learn to take a step back from the outer world and deal with the stress of life by developing your inner world your soul

overcoming fear and guilt is the focus of this acclaimed spiritual guide the three part approach encompasses an explanation of the course s theory exercises and a manual in a question and answer format

in the mid 1970s a course in miracles was published it is a self study course designed to help you undo your conscious and unconscious beliefs that you are separate from god so that you can return to your natural state of boundless love peace and joy since then it has become the holy book of over a million people worldwide who have experienced a loving transformation to a more peaceful life but the course though beautifully written is in dense and difficult figurative language that can be hard to understand it can take many years to pierce through how it says what it says to understand its loving means for returning to an awareness of your eternal oneness with god the message of a course in miracles is a paragraph by paragraph translation of the course into plain everyday language which brings its loving message to the surface so that you can attain a deeper understanding of it faster it is for anyone seeking a simple and clear means for attaining lasting inner peace

it makes little difference how fast you can run the 100 meters when the race is 400 meters long life is not a sprint it is a distance run and it demands the kind of conditioning that enables people to go the distance gordon macdonald running strong whose heart doesn't leap at the sight of a beautifully conditioned runner effortlessly gliding along stride by stride mile by mile and what runner gets to this place without a thankless and often lonely regimen of strategy and self denial isn't this the perfect metaphor of what your heart is longing for running life's race with intentionality and grace with strength and focus well you can veteran pastor and best selling author gordon macdonald says you must develop resilience the courage and ability to get up when you fall to keep running when you're bone weary and to keep your eye on the goal even in the murkiest moments using the backdrop of his own experiences as a champion runner macdonald demonstrates how resilient people practice spiritual self discipline to build stamina and grit know what's up ahead what obstacles they will likely face and bond with special friends who share their commitment to finishing well because he has also run many long punishing laps in the tough race of life macdonald is uniquely qualified to coach and encourage you in developing that resilient spirit to weather adversity to finish what you start and to never be satisfied with anything short of god's best for you

is there a genuine inner life a private inner world that each of us possess the scriptures and the experiences of the great saints say that there is and that the inner life can be ordered and regulated where people live with disorder within there is anxiety and little growth but where the private world is constantly realigned to the image of god there is remarkable personal development and christian witness

what happens when your ideals and desires plans and strategies all go awry from what sources might one find the resolve to begin a rebuilding process the fact is writes gordon macdonald in rebuilding your broken world the god of the bible is a god of the rebuilding process and not enough broken people know that no stranger himself to brokenness gordon macdonald draws from personal

experience and discusses the likely sources of pain the humiliation and the long and short range consequences of a broken personal world and he offers encouraging answers to the questions everyone asks when their worlds fall apart is there a way back

the text of thousands of speeches from all historical periods through the 19th century arranged in alphabetical order
